Employer Bulletin

June 2025

Time to dot those i's and cross those t's!

Keep an eye on your inbox – Leslie Huxted sent you a personalized **Confirmation of Organizational Information email**. She's gone through your organization's file on PLANet and is looking to you to fill in a few details.

We're just making sure your contact information is right, your site administrators are up to date, and your scope codes (contribution rates) are all set.

Keeping these files current helps everything run smoothly and keeps communication clear throughout the year. We're aiming to have **all confirmations and updates wrapped up by the end of August**.

Thank you for your cooperation!
