

Time to dot those i's and cross those t's!

The Employer Relations Coordinators (ERCs) recently sent a personalized **Confirmation of Organizational Information** email. They've reviewed your organization's file on the online portal and are asking for your help to fill in a few details. Please review the information and provide updates.

This is part of our routine check to ensure your contact information is accurate, your site administrators are up to date, and your scope codes (contribution rates) are correctly set.

Keeping these details current helps everything run smoothly and ensures clear communication throughout the year. We're aiming to have **all confirmations and updates wrapped up by the end of August.**

Thank you for your cooperation!

Connect us with your Communications Lead

Our Marketing and Communications team would like to know if your organization has a **dedicated communications contact**.

If so, please provide their information using the link below. We'd love to **connect and provide pension and financial planning content to share with employees**. Thank you.
